FKID11NSLSLE550

Iveco Daily 29L to 50C with std fuel tank

June 2006 onwards

All Wheelbases

UK Side Door

SLE550

Position rear brackets along cross member  
to avoid fuel tank & drill cross member  
and chassis rail vertical face (to suit  
M8 fasteners)

Note:

Space between step & fuel tank approx 15mm

IMPORTANT - The step MUST NOT be fitted touching the tank
